(iii) if there is no remaining candidate, election proceedings shall be started afresh for filling up the remaining vacancies in all respects as if for a new election; and

(iv) if the number of the remaining candidates exceeds that of the remaining vacancies a poll shall be taken; and

(v) (i) a, notwithstanding under sub-clause (i) or (ii) of clause (a), all candidates, except those declared elected to reserved seats under the following sub-clause, shall be declared elected to a non-reserved seat or seats; and

(ii) when the number of candidates eligible for any class of reserved seats at the election who have to be declared elected under sub-clause (i) or (ii) of clause (a) exceeds that of the vacancies in that class, the Election Officer shall, after notice to the candidates concerned, decide by drawing lots which of such candidates shall be declared elected to the reserved seat or seats in that class;

Provided that where such candidates have agreed among themselves as to which of them should be declared elected to the reserved seat or seats and presented a report of such agreement signed by all of them to the Election Officer within twenty-four hours of the expiry of the time for withdrawals of candidates under sub-rule (1) of rule 9, the Election Officer shall make a declaration accordingly.

Explanation.—In this sub-rule—

(a) "candidate" means a candidate who has been duly nominated and has put down his candidature in the manner and within the time specified in sub-rule (1) of rule 9;

(b) "eligible candidate", in respect of a seat reserved for any community or for women, means a candidate who belongs to that community or who is a woman, as the case may be;

(c) "reserved seat" or "non-reserved seat" means a seat or vacancy reserved for any community or for women;

(d) "non-reserved seat" or "non-reserved vacancy" means a seat or vacancy which is not reserved for any community or for women; and

(e) two reserved seats may and to be of the "same class" when they are both reserved for the same community or for women and of "different classes" when one is reserved for one community and the other for a different community or for women.

11. (1) If a poll has to be taken, the Election Officer shall appoint forthwith one or more polling officers for each polling station and may pay them reasonable remuneration for their services. He may also, if necessary, appoint one or more identifying officers to assist the polling officer in identifying the electors. Polling officers shall neither be candidates for the seats for which the poll is to be taken nor registered electors therein.

(7) If after the taking of a poll has become necessary so that before the poll is taken, a candidate who has been duly nominated dies, the Division Officer shall, upon being satisfied of the facts of the death of the candidate, discontinue the poll, and election proceedings shall be started afresh in all respects as if for a new election.

Provided that no fresh nomination shall be necessary in the case of a candidate who died accompanied at the time of the non-attendance of the poll.

Polling.

12. The polling officer shall keep order at the station, shall see that the station is fairly conducted, shall regulate the number of voters to be admitted at one time, and shall exclude all other persons except his own clerks, the candidates, one agent of each candidate, at a time (herein after referred to as the polling agent) appointed in writing by the candidate, the police on duty, and such persons as may be admitted for the purpose of identifying the electors.

13. The ballot box shall be so constructed that the ballot papers can be introduced without the box being unlocked. Just before the commencement of the poll the polling officer shall show the ballot box empty to such persons as may be present at the polling station and shall then lock it up and place a seal upon it in such manner as to prevent its being opened without breaking such seal and give it in his own fee, the receipt of ballot papers and keep it in locked and sealed. The key of the ballot box shall also be placed under seal.

14. The Division Officer shall provide for each polling officer such number of clerks as may be necessary and shall supply him with a copy of the electoral roll, a list of the names of the candidates, ballot papers and boxes, and such other papers, stationery and forms as may be necessary.

15. Ballot papers shall be printed in Form IV. They shall be serially numbered, the number being printed on the face of the memorandum and on the back of the envelope. They may be printed either in English or in the chief vernacular of the place of election, or in both and the names of the candidates shall be entered as there is the order of the alphabet of the language in which the names are first printed. If there are two candidates of the same name, they shall be distinguished by the addition of their occupation or in some other suitable way.

16. Immediately before a ballot paper—that is the memorandum in Form IV—is handed over to the elector, the polling officer shall

(a) hold it on the back;

(b) enter the elector's name and number in the electoral roll, on the corresponding memorandum of Form IV; and

(c) affix his initials against the elector's name in the electoral roll.

The polling officer shall then tell the elector how many votes may be given and shall give him the ballot paper.

17. The elector on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there make a mark against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the

ballot paper so as to conceal his vote and after showing to the polling officer his (polling officer's) initials thereon put it into the ballot box.

18. (1) If any elector is unable to read the ballot paper or make a mark thereon and applies for assistance, the polling officer shall read the ballot paper to the elector and, if so required by him, mark the ballot paper on the polling officer's table and in the presence of the candidate or their polling agents, if any, something to the directions of the elector and give it to him to be put in the ballot box. The candidate and polling agents present shall have a right to hear the elector's request and to watch the polling officer when he marks the ballot paper.

(2) In the case of every elector whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding memorandum of Form IV by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under sub-rule (1) shall not be questioned subsequently on the ground that it was not in accordance with the elector's directions.

19. Special provision in accordance with the instructions, if any, issued by the division authority in this behalf may be made to various electors.

20. (1) Any ballot paper which is not duly marked or on which votes are given to more candidates than there are names to be elected or on which any mark is made by which the elector may afterwards be identified shall be void.

(2) If more than one mark is placed against any candidate's name, they shall count only as one vote in his favor, provided that the elector has not placed marks against more candidates than there are names to be elected.

(3) If any one of the marks is so placed as to render it doubtful for which candidate such mark is intended to apply, the vote concerned, but not the whole ballot paper or any where more than one vote can be given on the same ballot paper, shall be void, provided that the elector has not placed marks against more candidates than there are names to be elected.

21. When a person presents himself to vote and at any time before a ballot paper is applied to him the polling officer may of his own accord and shall, if so required by a candidate or polling agent, put to such person either or both of the following questions:—

(a) Are you the person entitled to follow (naming the whole entry from the roll)?

(b) Have you already voted at the present station or at any other polling station?

and the person shall not be supplied with a ballot paper unless he gives an unqualified answer to the question or questions put to him and unless the answer to the first question is in the affirmative and the answer to the negative. Except as mentioned herein, every person whose name is found on the electoral roll shall be entitled to be supplied with a ballot paper.

22. If a person representing himself to be a prospective elector named on the electoral roll applies for a ballot paper after another person has voted on such elector, the applicant shall

after duly answering such questions as the polling officer may ask, be entitled to mark the ballot paper in the same manner as any other elector. The ballot paper (hereinafter referred to as a *marked ballot paper*) shall, instead of being put into the ballot box, be given to the polling officer, and returned by him with the name of the elector and his number on the electoral roll and set aside in a separate packet and is not to be counted by the Election Officer. The name of the elector and his number on the electoral roll and the name or distinctive number of the polling station shall be entered in a list in Form V which shall bear the heading "Tendered votes list". The person tendering such ballot paper shall sign his name and address on the list or affix his thumb-impression thereto.

Expenses, in cases falling under this rule in which rule 22 is also applicable, the provisions of this rule as well as of rule 22 shall be followed.

23. If any candidate or polling agent declines and undertakes to prove that any person, by applying for a ballot paper has committed the offence of perjury, the polling officer may require such person to enter in the list of challenged votes which shall be in Form VI his name and address and if he is unable to write to affix his thumb-impression thereto and may further require such person to produce evidence of identification. If such person on being questioned in the manner prescribed by rule 22 gives contradictory answers to the first question in the affirmative and the second in the negative, he shall be allowed to vote after he has been informed of the penalty for perjury. The polling officer shall make a note of the circumstances and of his decision in the list of challenged votes.

24. An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the voluntariness, obtain another ballot paper in place of the first one, the latter one together with its envelope being marked as cancelled.

25. Immediately after the close of the poll, the polling officer shall, in the presence of each of the candidates and their polling agents as may be in attendance, pack up into separate packets and seal with his own seal and the seals of such candidates or polling agents as may desire to affix their seals—

- (1) each ballot box in use at his station unopened;
- (2) the keys of such boxes;
- (3) the unused and spoilt ballot papers, both ordinary and tendered, with their envelopes;
- (4) the tendered ballot papers;
- (5) the marked copies of the electoral roll and the counterfoils of ballot papers;
- (6) tendered votes list; and
- (7) the list of challenged votes.

26. The packets shall be forwarded at once by the polling officer to the Election Officer accompanied by a statement in Form VII. Each packet shall be numbered and shall bear a note as in the margin.

27. On the day and at the place and hour appointed for the meeting of voters, and in the presence of such candidates and their agents as may be in attendance the Election Officer shall proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another; and the Election Officer shall take out the papers therefrom, count them or have them to be counted and record the number thereof in a statement in Form VIII.

(b) The Election Officer shall then mix together the whole of the ballot papers of all the ballot boxes. The examination and counting of the votes shall then ensue. The Election Officer shall as every ballot paper which is wholly or partially rejected endorse the word "Rejected". If any candidate or agent presents questions the correctness of the rejection, the Election Officer shall also record on the ballot paper the grounds for the rejection hereby.

(c) The Election Officer shall, as far as practicable, proceed continuously with the counting of the votes and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or their agents as may desire to affix them; and adequate precautions shall be taken for their custody.

28. (1) After the Election Officer has completed the counting and recording of votes he shall prepare a return of the results of the polling in Form IX, and after verifying the totals of the votes with the figures in Forms VII and VIII shall, subject to the provisions of rule 29, declare that the candidate or candidates to whom valid votes have been given, has or have been duly elected. Provided that if one or more votes are reserved for any constituency or for women, the Election Officer shall first declare the candidate or candidates belonging to that constituency or who are women, as the case may be, to whom the largest number of votes have been given to be elected to such reserved seat or seats.

(2) Any candidate or his agent shall, on application, be permitted to take a copy of or extract from the return in Form IX.

29. The Election Officer shall set open the sealed packets containing the tendered ballot papers as the marked copies of the electoral roll or the counterfoils of the ballot papers.

30. Upon the completion of the counting and the declaration of the results, the Election Officer shall send up in separate packets—

- (1) the ballot papers, all or some of the votes on which have been counted, and
 - (2) the ballot papers, all the votes on which have been rejected,
- and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

Disposal of ballot papers.

31. (1) The Election Officer shall, after declaring the result, forward a copy of the return to the chairman of the municipal council and shall retain in his custody the packets of ballot papers,

whether accepted, rejected or modified, and of the results of the election. These protests shall not be opened and their contents shall not be inspected or produced, except under the orders of an election or other competent court.

(2) The Election Officer shall retain the protests and the sealed copies of the electoral roll for a year and shall then unless otherwise directed by the orders of an election or other competent court cause them to be destroyed.

General.

32. (1) If any person has been elected for more wards than one, he shall by notice in writing report by the Election Officer to the Election Officer the ward for which he chooses to serve. Such nomination shall reach the Election Officer within twenty-four hours of the latest of the declaration of the results of elections in the wards for which such person stood as a candidate.

(2) On receipt of the notification, the Election Officer shall declare the said person to have been elected for the ward chosen by him. In default of such notification, the Election Officer shall declare him to have been elected for any one of the wards. In either case, election proceedings shall be started as if he had been elected for the ward or wards for which such person has been elected.

33. If there is an equality of votes between two or more candidates, the Election Officer shall, after notice to the candidates concerned, decide by drawing lots which candidate or candidates he shall declare to have been elected.

34. The names or names of the candidate or candidates duly elected shall be forwarded without delay by the Election Officer to the Inspector-General, Government Printer, for publication in the Port St. George Gazette and shall also be published on the notice board of the concerned office.

35. (1) If any question arises as to the interpretation of these rules otherwise than in connection with an inquiry held under the rules for the election of a dispute as to the validity of an election, the question shall be referred to the Local Government, whose decision shall be final.

(2) Pending the decision of the Local Government on any such reference made to them or the issue of final orders on any inquiry which the Local Government may institute upon receipt of notification that an election is being or about to be held in contravention of the rules, it shall be lawful for the Local Government to direct the stay of the election proceedings at any stage thereof prior to the declaration of the results. Any election held or continued in contravention of the orders of the Local Government under this rule shall be null and of no effect whatsoever.

(3) Unless it is otherwise ordered by the Local Government, election proceedings stayed under this rule shall, on constitution of the day order, proceed from the stage at which they were stayed to fresh dates to be fixed.

36. The election of a councillor by a municipal council under sub-section (2) of section 9 of the Act shall be in the manner provided in the rules for the election of the Vice-Chairman.

RULES UNDER THE DESTRUCTION OF RECORDS ACT (ACT V OF 1910).

In order to provide for the destruction of civil records of significant value of probate records before transmission to the District Magistrate, the High Court, under the powers conferred by section 2 of the Destruction of Records Act (Act V of 1910), and with the previous sanction of His Excellency the Governor in Council, hereby makes amendments to Rule 2 and Appendix B, Civil, Part I, of the consolidated rules regulating the destruction of various records published at pages 500 to 547 of Part II of the Port St. George Gazette dated the 21st March 1910, as subsequently amended and re-issued for general information the whole set of rules as amended up to date—

CONSOLIDATED RULES UNDER THE DESTRUCTION OF RECORDS ACT, 1910.

1. *Index paper to be opened.*—An index of the form prescribed in Part A of the appendix, hereto shall be put up with the record of every case, other than an exonerated suit or proceeding in the Court of Small Causes, Madras, as its first institution in such Court, and such paper, as it is filed with the record, shall be entered in such index.

The index paper shall and the B diary need not be entered in the index. The date of issue of process shall be entered in column 2 of the form and the date of return after execution in column 3. The dates on which depositions, judgments and decrees were confirmed or signed by the Judge shall be entered in column 2, and the date of receipt by the public shall be entered in column 3.

2. *Records to be divided into parts.*—Every record shall, after its completion and immediately before it is deposited in the record room, be divided into parts as shown in the table given in Part B of the appendix, and to designate this division each paper, other than records in exonerated suits or proceedings in the Court of Small Causes, Madras, shall, so soon as it is filed with the record, be numbered and marked off in the index as pertaining to one or another of such parts.

Excluded documents to be kept apart and destroyed.—Other documents which have been produced by parties but have either not been tendered in evidence, or, having been tendered in evidence, have been rejected, shall be kept apart from the record of the suit or other proceeding to which they belong and shall, if not retained by the party who produced them, be retained in the Court in which they were produced, for a period of one year from the date of the final order of the court in the suit or proceeding in which the documents were produced and shall, at the expiration of that period, be destroyed in the manner prescribed by Rule 3 infra.

Provided that notice of destruction shall be given in the manner prescribed by Rule 1 supra in the month of January succeeding the date of expiry of the period of one year referred to in this rule and also by affixing to the index book of the Court (at the time of publication in the Gazette) a copy of the notice published in the District Gazette. Rule 1 supra shall not apply to such documents.

No application is necessary for the return of the documents produced, which have either not been

tendered in evidence, or, if tendered, have been rejected. It is sufficient if a receipt for their return is taken in the list with which they have been put up.

3. *Periods of retention of records.*—The parts of records described in the table given in Part C of the appendix shall be retained for the periods respectively specified against them from the date of their completion, provided that in any case the presiding Judge or Magistrate may, for reasons to be recorded in writing, direct that any of the papers in any one part be transferred to any other part for which a longer period of retention is prescribed, in which case the fact shall be noted in the index and the papers dealt with as if they had belonged from the commencement to the part to which they were so transferred.

Documents to be retained in ex parte suits.—The process issued in default or in ex parte suits, as far as regards such appeals falling under sub-heads 1 (a) 2 and 3 of Part C of the appendix, shall be retained by the District Court in subordinate courts at the time of the destruction of Part I so that they may be retained in Part I of the execution record, in cases in which the execution is not complete. If at the time of the destruction of Part I execution is complete, the record-book shall include the said process in Part I execution record.

4. *Periods of retention of civil records, etc.*—The court registers, books and papers described in the table given in Part D of the appendix, shall be retained for the periods respectively specified against them reckoning from their respective dates of issue the dates at which they close.

Provided that the District Judge or District Magistrate may, in his discretion, direct the retention, for a longer period or permanently, of papers which he may consider likely to be useful in the future, or containing the results of inquiries or other information, or the opinions of experienced officers in matters connected with the general administration of justice; and provided also that no Court subordinate to the District Judge nor any Criminal Court subordinate to the Magistrate of the district shall cause any paper to be destroyed under the next succeeding rule without having first obtained from such District Judge or Magistrate of the district, as the case may be, permission in writing to do so.

Documents ripe for destruction to be identified.—Where any document of which the destruction is ordered by these rules is, before it has been destroyed, made evidence in any other suit or proceeding, the rule regulating its destruction shall be the rule applicable to evidence filed in such suit or proceeding where the period prescribed by such law-prescribed rule is in excess of the period prescribed by the rule which originally governed its destruction.

5. *Books and papers to be destroyed after prescribed period.*—All records, books and papers described in the table given in Parts C and D of the appendix, shall be destroyed without fail at the expiration of the periods respectively specified against them.

Provided that documents produced in Courts by Government officials or sent for under Order X (1), Rule 10 of Schedule I of the Civil Procedure Code, 1908, shall not be destroyed, nor shall if not previously returned, be transmitted to the responsible officers on the expiry of the period prescribed for their retention.

No. 5 of 1931—Madras Land Revenue (Amendment) Act, 1931	111

Bills to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bills, together with the Statements of Objects and Reasons, are published for general information:—

BILL No. 1 OF 1931.

A Bill to amend the Madras District Municipalities (Amendment) Act, 1930, for a certain purpose.

WHEREAS it is expedient to amend the Madras District Municipalities (Amendment) Act, 1930, for the purpose hereunder appearing; It is hereby enacted as follows:—

1. This Act may be called the Madras District Municipalities (Amendment) Act, 1931.

Amendment
of section 177,
Madras Act
X of 1930.

2 For sub-clause (iii) of clause (a) of section 177 of the Madras District Municipalities (Amendment) Act, 1930, the following sub-clause shall be substituted, namely:—

"(iii) any date fixed under sub-clause (i) or (ii) shall not be later than the fifteenth day of January 1932:

Provided that the Local Government may, by notification, from time to time postpone the date mentioned in this sub-clause in respect of any municipal council. Such notification shall contain a statement of the reasons therefor and shall be laid on the table of the Legislative Council."

STATEMENT OF OBJECTS AND REASONS.

Clause (a) of section 177 of the Madras District Municipalities (Amendment) Act, 1930, empowers Government to fix a date not later than one year from the date of the coming into force of the Act for the retirement of the municipal councillors who were holding office on the latter date and for the coming into office of the newly elected councillors. Government had hoped that it would be possible to complete the preliminary and to conduct elections within a year and they accordingly fixed the 15th August 1931 as the date on which the existing councillors should retire and the newly-elected councillors should come into office. It is, however, now found that this cannot be effected within the time allowed, at any rate, in the case of some municipalities. It is, therefore, proposed to extend the time for the reconstitution of municipal councils, where necessary, up to the 15th January 1932 and to enable Government, by notification, to extend the time further, if found necessary, in respect of any municipal council. It has been provided that every such notification shall contain a statement of the reasons therefor and shall be laid on the table of the Legislative Council.

B. MUNUSWAMI NAYUDU.

BILL No. 6 OF 1931.

A Bill to amend the Madras Local Boards (Amendment) Act, 1930, for certain purposes.

WHEREAS it is expedient to amend the Madras Local Boards (Amendment) Act, 1930, for the purposes hereinafter appearing; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Madras Local Boards (Amendment) Act, 1931.

9. In rule 6 of the Schedule to the Madras Local Boards (Amendment) Act, 1929—

(i) after clause (c) of sub-rule (1), the following clause shall be inserted, namely:—

"(cc) where, in consequence of a notification issued under section 4 or 5 of the said Act as amended by this Act, a new taluk board or panchayat is constituted with effect from the date fixed under clause (a) or (b), either by the constitution of a new taluk or village or by the inclusion or exclusion of any area or from an existing taluk or village, the Local Government shall cause elections to such new taluk board or panchayat to be held so that the elected members thereof may come into office on the date so fixed;" and

(ii) for clause (f) of sub-rule (1), the following clause shall be substituted, namely:—

"(f) any date fixed under clause (a) or (b) shall not be later than the thirty-first day of March 1932;

Provided that the Local Government may, by notification, from time to time postpone the date mentioned in this clause in respect of any local board or class of local boards. Such notification shall contain a statement of the reasons therefor and shall be laid on the table of the Legislative Council."

STATEMENT OF OBJECTS AND REASONS.

Clause (f) of sub-rule (1) of rule 6 of the Schedule to the Madras Local Boards (Amendment) Act, 1929, read with clauses (a) and (b) of that sub-rule, empowers Government to fix a date not later than one year from the date of the coming into force of the Act for the retirement of the members of local boards who were holding office on the latter date and for the coming into office of the newly elected members. Government had hoped that it would be possible to complete the preparations and to conduct elections within a year and they accordingly fixed the 31st August 1931 as the date on which the existing members should retire and the newly elected members should come into office. Questions relating to the constitution of a taluk board for every revenue taluk as envisaged by the Act, the preparation of electoral rolls on the basis of the new franchise which application is still pending, the division of areas of district boards into divisions for the District Council and the reservation of seats in all local boards for particular communities and, for women, are taking a considerably longer time to settle than was anticipated, and it is now clear that local boards cannot be reconstituted

within the period of one year allowed by the Act. A further extension of the time allowed for the reconstitution of local boards has, therefore, become unnecessary. It is proposed to extend the term up to the 31st March 1912 in all cases and to enable Government, by notification, to extend it further, if found necessary in respect of any local board or class of local boards. It has been provided that every such notification shall contain a statement of the reasons necessitating the extension and shall be laid on the table of the Legislative Council.

The opportunity has been taken to provide that when a new tahsil board or panchayat is constituted, whether by the constitution of a new tahsil or village or by the alteration of the limits of an existing tahsil or village, elections should be held in the new tahsil board or panchayat so that the newly elected members may come into office on the date fixed. This will enable Government to prepare the electoral rolls of the new tahsil board or panchayat and hold elections to it, before it is actually constituted.
